

The 45 and Up Study relies on the willingness of its participants to share information about their experiences and health, to provide knowledge that will help people live healthy and fulfilling lives for as long as possible.

We are contacting you again because we need to find out more about your health and lifestyle and how these have changed in the recent past. Participation is completely voluntary, and you are free to withdraw from the Study at any time.

To participate in the Follow-up of the 45 and Up Study, please read the participant information leaflet, then fill in the questionnaire and consent form and return them in the envelope provided. Information from you, and from other people taking part in the 45 and Up Study, will allow researchers to answer key health questions facing Australia over the coming years

**Thank you very much for filling in the questionnaire
 WE CAN ONLY USE THIS INFORMATION IF YOU SIGN THE CONSENT FORM OVERLEAF**

Follow-up consent form - please read and sign to participate

The 45 and Up Study relies on the willingness of people to share information about their lives and experiences and to have their health followed over time. By signing this form you are agreeing to take part in the 45 and Up Study Follow-up and for that information to be used for health research. Participation is completely voluntary, and you are free to ask questions or to withdraw from the Study at any time by calling the **Study Infoline on 1300 45 11 45**. **More information on the Study can be found at www.saxinstitute.org.au/our-work/45-up-study**

I agree to take part in the 45 and Up Study Follow-up by:

- permitting the long-term storage and use of the information from my questionnaire for health-related research;
- the 45 and Up Study team combining the information I have given in this questionnaire with other health information that is part of the 45 and Up Study, including other questionnaire information and Medicare, medication, hospital, cancer, death and other health-related records, as outlined in the leaflet "Follow-up Questionnaire: Information for Participants";

I give my consent on the understanding that:

- **my information will only be used for the purposes outlined in the participant information leaflet** entitled "Follow-up Questionnaire Information for Participants", of which I have a copy;

- **my information will be kept strictly confidential** and will be used for health research only;
- **reports and publications from the Study will be based on de-identified information** and will not identify any individual taking part;
- **my participation in this Study is entirely voluntary** and my consent will continue to be valid following death or disablement unless withdrawn by my next of kin or other person responsible. I am free to withdraw from the 45 and Up Study and/or the 45 and Up Study Follow-up at any time by calling the Study Infoline on 1300 45 11 45;
- **my decision whether or not to take part** in the 45 and Up Study Follow-up or in any additional research will not disadvantage me or affect my future health care in any way.

I have been provided with information about the 45 and Up Study Follow-up, including how it will gather, store, use and disclose information about me, in the participant information leaflet. I have been given an opportunity to ask questions and have been fully informed about the Study.

Sometimes we find that people have moved when we try to contact them again. It would be very helpful if you could give us the contact details of someone close to you (such as a relative or friend) who would be happy for us to contact them if we are unable to reach you. We would only get in touch with that person if we were unable to contact you directly and we would need to tell them our reason for contacting you. Please leave this section blank if you do not wish to provide these extra contact details.
